

I am a conservation social scientist building knowledge about how principles of risk effect human-environment relationships.

EDUCATION

- PhD Cornell University (Human Dimensions of Natural Resource Management, Communication, Conservation Biology)
MA The George Washington University (Environment & Resource Policy)
BA Brandeis University (Anthropology, Environmental Studies)

PROFESSIONAL PROGRESSION

- Associate Professor, Department of Fisheries & Wildlife, Michigan State University, East Lansing, Michigan (2017-present)
- Associate Professor, Department of Fisheries & Wildlife, School of Criminal Justice, Michigan State University, East Lansing, Michigan (2014-2017)
- Assistant Professor, Department of Fisheries & Wildlife, School of Criminal Justice, Michigan State University, East Lansing, Michigan (2008-2014)
- Office of the Provost Diversity Postdoctoral Fellow, Department of Fisheries & Wildlife, Michigan State University (2006-2007)

FELLOWSHIPS & APPOINTMENTS

(bold text connotes global scholarship)

- **United States Department of State, Embassy Science Fellow, US Mission to the African Union and Regional Environmental Office East Africa** (2018)
- **National Academies of Sciences Jefferson Science Fellow & Senior Science Advisor, United States Department of State, Bureau of Intelligence and Research, Office of Geography and Global Issues** (2015, declined; 2016-2017 DC residence; 2017-present)
- **Michigan State University Academy of Global Engagement Fellowship** (2014-2015)

SELECTED HONORS & RECOGNITION

- **U.S. Department of State, U.S. Speakers Program to South Africa**, Embassy Pretoria and Durban (2018)
- **U.S. Department of State, Office of the Geographer and Global Issues**, Honorary Geographer Award (2017)
- **U.S. Department of State, Bureau of Intelligence and Research**, Certificate of Appreciation (2017)
- Adjunct Associate Professor, University of Maryland, College Park (2016-2021)
- Excellence Award in Interdisciplinary Scholarship, Michigan State University Chapter of the Honor Society Phi Kappa Phi (2011)
- National Science Foundation STEM Scholars Program Award (2009)
- Michigan State University Office of the Provost Diversity Postdoctoral Fellowship (2006-2008)
- American Academy for the Advancement of Sciences' Science Program for Excellence in Science Award (2006)

ADVISORY BOARDS & EXPERT NETWORKS

- **National Geographic Society Committee for Research and Exploration (2018-)**
- **Organization for Economic Cooperation and Development (OECD) Mapping Wildlife Trafficking in Africa Project (2017-2018)**
- **Wildlife Conservation Society, African Urban Bushmeat Project (2016-)**

6. Michigan State University Center for Advanced Study in International Development, 2008/2010. \$6,000 each year. Fostering co-conservation of livelihoods and lemurs in northeastern Madagascar. (PI: M.L. Gore).
5. USDA-National Institute for Food and Agriculture, 2009. \$229,300. Bovine tuberculosis eradication in Michigan and Minnesota. (PI: S. Winterstein; Co-PI: S.J. Riley, M.K. Lapinski, J. Kaneene, S. Bolin, D. Grooms, S. Fitzgerald, M.L. Gore).
4. Great Lakes Fishery Commission, 2007. \$95,310. Improving decision-making in contentious Great Lakes Fishery Management. (PI: M.L. Gore; Co-PI: S. J. Riley).
3. Sustainable Michigan Endowed Project, 2007. \$4,800. Network/Travel Grant to Universities of British Columbia, Oregon, and Decision Research. (PI: M.L. Gore).
2. Keickhefer Foundation, 2003. \$5,000. Risk perception associated with human-black bear conflict in the Adirondack Park. (PI: M.L. Gore).
1. Northeast Wildlife Damage Management Cooperative, 2005. \$23,000. Black bear issue education. (PI: T. Brown; Co-PI: W. F. Siemer, D. J. Decker, M.L. Gore).

TEACHING & INSTRUCTION

(student evaluation scores included based on a scale of 1-5 with 1 being best score)
(course with no scores = no quantitative scores available)

Primary or co-instructor (co-instructor designated with *; instructor scores are individualized over the number of years each course has been taught; bold numbers denote international scholarship)

- FW 435 – Communication for Fish and Wildlife Professionals (2013-present)
 - Average instructor score = 1.54
 - Average course score = 1.72

- **FW 893** – Graduate Seminar – Conservation Criminology: Compliance and Marine Protected Areas (2013)
 - Average instructor score = 1.14
 - Average course score = 1.71
- **FW/CJ 858** – Gender, Justice, and Environmental Change* (2009- 2014)
 - Average instructor score = 1.36
 - Average course score = 1.36
- **FW 293** – Undergraduate Seminar in Fisheries and Wildlife* (2009)
 - Average instructor score = 1.6
 - Average course score = 1.9
- **FW/CJ 847** – Global Risks, Conservation, and Criminology (2008- present)
 - Average instructor score = 1.53
 - Average course score = 1.73
- **FW 810** – Human Dimensions of Fisheries and Wildlife Management (2007- present)
 - Average instructor score = 1.55
 - Average course score = 2.15
- **FW 480** – Study Abroad in Madagascar (2008-present)
 - Average instructor score = 1.0
 - Average course score = 1.4
- **FW 893** – Graduate Seminar – Risk Communication Theory and Practice* (2008)
 - Average instructor score = 1.0
 - Average course score = 1.67
- **FW 490** – Special Topics in Fisheries & Wildlife (2007- 1 student, 2009 – 1 student, 2012- 1 student)

Guest lecturer (# of times lectured in undergraduate or graduate classroom since 2006)

- Cornell University, Department of Natural Resources’ Human Dimensions Lab: 2
- George Mason University, Department of Communication
 - Environmental Communication: 5
- Lake Superior State University
 - Biology Senior Thesis Seminar: 1
- Michigan State University College of Communication Arts and Sciences
 - Risk Communication (CAS 892): 1
 - Environmental Communication (COM 399): 2
- Michigan State University Department of Community Sustainability
 - Risk and Decision Science for Environmental and Natural Resource Management (ESA 420): 1
- Michigan State University Department of Fisheries and Wildlife
 - Wildlife Policy (FW 429): 1
 - Democracy and the Environment (FW 813): 1
 - Global Issues in Fisheries and Wildlife (FW 481): 3
 - Fundamentals of Fisheries and Wildlife Ecology (FW 101): 9
 - Resource Ecology (FW 203): 4
 - Human Dimensions of Fisheries and Wildlife Management (FW434): 7
 - Gender, Justice, and Environment (FW 858): 1
 - Methods in Gender, Justice, and Environmental Change (FW859): 1
 - Leadership in Natural Resources and Environmental Management (FW 885): 3
- Michigan State University Department of Sociology

- Animal Studies Program (invited brownbag): 1
- Michigan State University Lyman Briggs College
 - Senior Capstone in Lyman Briggs College (LB 492): 4
- Michigan State University, Department of Animal Science
 - Ethical Issues in Animal Agriculture (ANS 401): 1
- Michigan State University School of Criminal Justice
 - Environmental Criminology (CJ 491): 1
 - Criminal Justice Professionals (CJ292): 4
 - Doctoral Seminar and Professional Development (CJ 890): 3
- Syracuse University, College of Environmental Science and Forestry: 1
- Texas Tech University, Department of Natural Resources: 1
- University of Maryland, Department of Environmental Science and Technology: 1
- University of Toamasina, Madagascar, College of Environmental Science: 1
- University of Toledo, Department of Environmental Science: 1

Curriculum Development

- **Water joint degree curriculum committee**, Michigan State University (2018)
- **Conservation social science**, King Mongkut University, Thailand (2018)
- **Conservation criminology**, University of Toamasina, Madagascar (2014)
- **Michigan State University Conservation Criminology Certificate Program**
 - 3 graduate-level online courses administered by School of Criminal Justice (2008)

Non-Credit Instruction (Workshops/Trainings) (* denotes invited)

10. **Conservation social science methods and conservation criminology.** Vinh University, Flora & Fauna International, World Wildlife Fund. Vinh, Vietnam (2018)
9. ***GIS standards to help combat wildlife trafficking.** Co-hosted with U.S. Department of State and AFRICOM. United Nations Economic Commission for Africa, Ethiopia (2018)
8. ***Conservation social science for practitioners.** King Mongkut University, Thailand (2018)
7. **Geographic information to combat wildlife trafficking;** co-hosted with U.S. Department of State and Stimson Center. Washington DC (2017)
6. **Illegal wildlife trade scientists' side meeting; International Congress for the Conservation of Biodiversity, Cartagena, Colombia** (2017)
5. **Interdisciplinary conservation social science; annual DAI retreat,** Bethesda, Maryland (2016)
4. ***Conservation criminology and international crane conservation;** International Crane Foundation, Baraboo, Wisconsin (2015)
3. ***Rethinking corruption in conservation: implications for Madagascar;** Antananarivo, Madagascar (2014)
2. **Participatory Risk Mapping of Conservation Crime in Madagascar with relevance for rosewood exploitation;** Manopana, Madagascar (2014)
1. **Participatory Risk Mapping of Conservation Crime in Madagascar with relevance for lemur poaching;** Andasibe, Madagascar (2014)

STUDENT SUPERVISION

Graduate Students Supervised (at MSU unless specified)

Completed (chronological order)

Postdoctoral Research Assistants & Research Fellows

- Gluzek, S. (2017). Imperial College of London Stevenson Fellow. Fisheries and Wildlife. *Bushmeat poaching and trafficking in Republic of Congo.*
- Triezenberg, H. A. (2011-2012). Postdoctoral Fellow. Fisheries and Wildlife. *Designing, Implementing, and Evaluating a Risk Communication Program Designed to Eradicate Bovine Tuberculosis in Michigan.*

PhD

- Kahler, J. S., PhD. (2010-2017). *Integrating conservation criminology into the situational crime prevention framework to investigate poaching risks.*
 - National Science Foundation Doctoral Dissertation Improvement Grant
 - Emerging Wildlife Conservation Leadership Fellowship, Academic Achievement Graduate Assistantship, Foreign Language and Area Studies Award, Dissertation Completion Fellowship
- Lute, M. L., PhD. (2010-2014). *Conservation ethics, risk perception, and social identity associated with human-wolf relationships in Michigan.*

MS

- Shirley, E., JD/MS. (2015-2018). *Coupling communication and compliance with environmental laws in the Brazilian Pantanal.*
- Kahler, J. S. (2008-2010). MS, Fisheries and Wildlife. *Local perceptions of risk and vulnerability associated with human-wildlife conflicts in Namibian conservancies.*
- Muter, B. A. (2007-2009). MS, Fisheries and Wildlife. Co-advised with S. Riley. *Risk perception, social networks, and media frames associated with human-cormorant interactions in the Great Lakes.*
 - Academic Achievement Graduate Assistantship, now Program Manager, Stuart L. Udall Parks in Focus Program, Udall Foundation

Current (alphabetical order)

- Viollaz, J. (2017-present). Postdoctoral Fellow. Fisheries and Wildlife. *Community-based Conservation to reduce risks from wildlife trafficking in Vietnam.*
- Sripal, R. (2015-present). PhD *Illegal harvest of furbearers in Michigan.*

Graduate Student Committee Membership (Minor Committee Membership) (at MSU unless specified)

Completed (chronological order)

PhD

- Peacock, R. (2018). (Ivkovich, S., Criminal Justice). PhD. *Community policing and conservation in Ukraine, Russia.*
- Bell, J. (Kalof, L., Sociology). (2016). PhD. *Animal studies and conservation criminology.*
- Thomas, A. (M, Gavin, Environmental Studies). (2016). PhD. Victoria University of Wellington, New Zealand. *Fisher noncompliance in New Zealand and conservation criminology.*

- Schmidt, A. (2017). PhD. University of Saskatchewan. (D. Clark, School of Environment and Sustainability). *The role of discourse in shaping understandings of and responses to polar bear-human interactions in Churchill, Manitoba.*
- Lewis, A. (2015). PhD. History. (G. Montgomery). Amboseli landscapes: Maasai pastoralism, wildlife conservation, and natural resource management, 1944-present.
 - Now Postdoctoral Fellow, History Department, Utah State University
- Rinkus, M. (2013). PhD. Fisheries and Wildlife. (T. Dobson). *Community participation and sea turtle conservation in northeast Brazil.*
 - Fulbright Fellow
- Everett, M. (2013). PhD. Community Sustainability. (C. Nelson). *Measuring flow in Michigan youth firearm deer hunters and implications for hunter recruitment.*
 - Now Academic Specialist, Michigan State University
- Hanisch, S. (2012). PhD. Fisheries and Wildlife. (S. Riley). *The human element of wildlife health: mental models, risk perceptions, and attitudes toward wildlife disease management.*
 - University Distinguished Fellowship, Now Assistant Professor, Northwood University, Michigan
- Berger, A.M. (2011). PhD. Fisheries and Wildlife. (M. Jones). *Models to aid in the selection of procedures used to manage Lake Erie walleye (sander vitreus).*
 - Now Fisheries Scientist, Stock Assessment and Modeling Secretary, Secretariat of the Pacific Community

MS

- Salosso, K. (2018). (E. Huff, Department of Forestry). *Spatial patterns and temporal trends of community-based forest management in Indonesia.*
- Ye, N. (2018). (R. Harrell, Department of Environmental Science). MS. University of Maryland. *Traditional African muti medicine and culture conservation in South Africa.*
- Jaeger, C. (2013). MS. Fisheries and Wildlife (M. Nelson). *Michigan mute swans: a case study approach to ethical argument analysis.*
- Groff, K. (2011). MS. Fisheries and Wildlife. (M. Axelrod). *A baseline analysis of poaching in Chiquibul National Park, Belize.*
- Miller, E. (2011). proMS. Zoology (R. Snider). *Short-term knowledge and attitude effects of two sea lion shows.*
- Hewlett, T. O. (2011). MS. Community Agriculture, Recreation and Resources. (S. Nicholls). *Ascertaining effects of a community-based ecotourism project on residents in Chi Phat, Cambodia.*
- Shattuck, E. (2011). MS. Criminal Justice. (D. Foran). *Geographic origins of illegally harvested Hawksbill sea turtle products.*
- Kelly, S. (2011). proMS. Zoology. (B. Lundrigan). *Ecomorphological associations of feeding habits in hypercarnivores.*
- Beeker, T. (2010). MS. Fisheries and Wildlife. (K. Millenbah). *Citizen science acoustic bat monitoring: a review of citizen science guidelines and compilation of best practices in acoustic animal monitoring.*

Current (alphabetical order with primary advisor and department noted)

PhD

- Teodoro, D. (2018). (C. Prell, Department of Geography, University of Maryland). Climate change, risk and resilience in the Chesapeake Bay.

MS

- Whyte, J. (2018-present). (H. Triezenberg, Department of Fisheries and Wildlife). *Coastal community leader and stakeholder perceptions of risk on Lake Michigan*.

Graduate Research Assistants Supervised in School of Criminal Justice

- Gibson, M. (2015-2017). Criminal Justice. *Compliance and IUU fishing in Nicaragua*.
- Borratto, R. (2015-2017). Criminal Justice. *Urban bushmeat poaching in Republic of the Congo*.
- Carter, J. (2008-2009). PhD. Criminal Justice. *Online conservation criminology course development and implementation*.
- Fenoff, R. (2008-2009). PhD. Criminal Justice. *Conservation criminology, organized crime, and monarch butterfly conservation in Mexico*.
- Bouchard, A. (2009-2010). MS. Criminal Justice. *White shark media content analysis*.

Undergraduate Research Assistants

- Dodge, L. (2012-2013). BS. Interdisciplinary Studies. *Gender and tsetse fly management in Africa*.
 - Undergraduate Research Initiative Scholarship, Presented at MSU Undergraduate Research Forum
- Hughes, A. (2009-2011). BS. Fisheries and Wildlife. *Risk analysis of bovine tuberculosis in Michigan*.
 - Undergraduate Research Initiative Scholarship, Presented at University Undergraduate Research Forum, now in PhD program at University of Alaska Fairbanks
- Fishbeck, L. (2009-2011). BS. Fisheries and Wildlife. *White shark media content analysis*.
 - Undergraduate Research Initiative Scholarship, Presented at University Undergraduate Research Forum, now Environmental Specialist for TransCanada Environmental Remediation Group
- Clark, M. (2009-2012). BS. Lyman Briggs. *Ethics of genetic rescue of Michigan wolves*.
 - Undergraduate Research Initiative Scholarship
- Berger, A. (2009). BS. Lyman Briggs. *Community conservation in Namibia*.
- Sutherland, S. (2008). Psychology. *Ploughshare tortoise conservation in Madagascar*.
 - Undergraduate Research Initiative Scholarship, now PhD student at University of California, Santa Barbara

SERVICE & ENGAGEMENT

Profession

Leadership, Governance, Association Activities

- Invited, Society for Conservation Biology representative to Nagoya Protocol workshop hosted by Ecological Society of America and National Science Foundation, Maryland, October 26-27, 2017.
- Elected, President, Society for Conservation Biology, Social Science Working Group, (2015-2017)
- Invited, Science Committee, North American Congress for Conservation of Biology Meeting (2014)
- Elected, Vice-President, Society for Conservation Biology, Social Science Working Group (2013-2014)
- Elected, Session Chair, Detecting, Understanding, and Deterring Conservation Crime, International Congress for Conservation of Biology (2013)

- Elected, Session Chair, Pathways to Success Conference: Integrating Human dimensions into Fisheries and Wildlife Conservation (2012, 2010)
- Invited, Conference Advisory Board, Pathways to Success Conference: Integrating Human dimensions into Fisheries and Wildlife Conservation (2011-2012)
- Elected, Member-at-Large, Society for Conservation Biology, Social Science Working Group (2010-present)
- Elected, Chair, Society for Conservation Biology Social Science Working Group, Conservation Committee (2010-present)
- Invited, Reviewer, Society for Conservation Biology, Annual Meeting Conference Paper Abstracts (2010)
- Elected, Board Member, Society for Risk Analysis, Risk Communication Working Group (2006-2008)
- Invited, Emerging Wildlife Conservation Leadership Program Alumni Advisory Group (2007-present)
- Elected, Emerging Wildlife Conservation Leadership Program (2004-2006)

Journal Editor and Associate Editorships

- Invited, Reviewer, The Annals of the American Academy of Political and Social Science: Special Issue on Regulating Crime; the new Criminology of Crime Control (2017)
- Invited, Guest Editor, Biological Conservation, Special Issue on Conservation Criminology (2013)
- Invited, Editor, Conservation Letters (2011- present)
- Invited, Guest Editor, Human Dimensions of Wildlife Journal, Special Risk Issue (2009)
- Invited, Associate Editor, Journal of Wildlife Management (2006-2011)
- Invited, Associate Editor, Wildlife Society Bulletin (2005-2006)
- Invited, Journal Reviewer
 - African Journal of Marine Science, Biological Conservation, Conservation Biology, Conservation Letters, Ecological Economics, European Journal of Wildlife Research, Human Dimensions of Wildlife, Journal of Great Lakes Research, Journal of the Institute for Laboratory Animal Research, Journal of Wildlife Management, Journal of Wildlife Research, Ocean and Coastal Management, PLOS ONE, Policing: an International Journal of Police Strategies and Management Risk Analysis, Studies in Environmental Education, Ursus, Wildlife Society Bulletin

University, College(s), and Department

Michigan State University

- Invited, Panelist, Strategies for Mid-Career Faculty, Academic Advancement Network (2018)
- Elected, Member, Michigan State University Committee on Faculty Affairs (2011-2013)
- Invited, Panel Member, Michigan State University Graduate School professional development workshop, "From graduate student to professor: how to be effective in the academy" (2011)
- Invited, Panel Member, Michigan State University Office of Study Abroad workshop on undergraduate research abroad (2010)
- Member, Gilbert A. Mouser Memorial Scholarship Review Committee (2009-2011)
- Invited, Member, Theodore Roosevelt Conservation and Environment Leadership Endowment Committee (2009-2015)
- Invited, Member, Michigan State University, National/International Scholarship Review Committee (2009, 2014)
- Invited, Member, Morris K. Udall Scholarship Selection Committee (2008, 2013)

- Invited, Member, Michigan State University, Be Spartan Green Communications Team (2008)
- Invited, Panel Member, Michigan State University Graduate School professional development workshop, "Interviewing and securing a position in natural resources and sciences." (2006)
- Invited, Member, Michigan State University Hearing Board (2008-2011)
- Invited, Mentor, Center for Advanced Study in International Development, MSU, Herbert Humphrey Fellows Friend to Zaza Randriamiarana (Malagasy scholar) (2008)

College of Agriculture and Natural Resources

- Invited, CANR Global Strategy Committee (2018)
- Invited, Environmental Science and Policy Program Director Review Committee (2015)
- Invited, Amber Ambrose Pattullo Fellowship Review Committee (2014-present)
- Invited, Gilbert W. Mouser Memorial Scholarship Review Committee (2014)
- Elected, Member, College Advisory Council (2013-2015)
 - Appointed, Ad-Hoc Committee on CANR bylaws (2013)
 - Elected, Elections Officer and Associate Chair (2014)
- Elected, Member, GenCen Advisory Committee (2012-present)

College of Social Science

- Invited, Member, Environmental Science and Policy Program, Water Cluster Hiring Advisory Committee (2013)

Department of Fisheries and Wildlife

- Elected, Member, Department Chairperson Search Committee (2018-present)
- Invited, Member, Human Dimensions Search Committee (2 positions) (2014-present)
- Invited, Member, Website Committee (2014)
- Elected, Ad-Hoc Member, Department Advisory Committee (2013-2015)
- Invited, Member, Hearing Board (2013-present)
- Invited, Member, Academic Program Review Committee (2012-2013)
- Invited, Member, Lyman Briggs/FW Environmental Philosophy Search Committee (2012-2013)
- Invited, Member, MSU AgBioResearch Research Project Evaluation Reviewer (2012)
- Invited, Member, Ambrose Pattullo Fellowship Fund Review Committee (2012-2013)
- Co-founder and Co-coordinator, Teaching Brown Bag Lunch Series, (2009-2011)
- Invited, Chair, Human Dimensions of Fish and Wildlife Management in FW website development (2009)
- Invited, Faculty Judge, Graduate Student Organization Symposium (2007, 2008, 2010)
- Invited, Panel Member, Michigan State University School of Criminal Justice and Department of Fisheries and Wildlife's Environmental Crime and Natural Resources Sustainability Conference (2007)
- Invited, Coordinator, Faculty Meeting Minutes (2008-2009)
- Invited, Member, Graduate Committee (2008-2012)

School of Criminal Justice

- Invited, Member, Environmental Risk Perception and Decision-Making Faculty Search Committee (2013)
- Invited, Member, Environmental Security and Governance Faculty Search Committee (2013)
- Invited, Member, Conservation Criminology website development and maintenance (2008-present)

Field

Global Service

- Invited, Member, U.S. Office of the Director of National Intelligence Combatting Wildlife Trafficking Community of Interest (2016-present)
- Invited, Member, U.S. Task Force to Combat Wildlife Trafficking, Finance and Program Subgroup (2016-present)
- Invited, National Geographic Society Events Advisory Panel (2018)
- Society for Conservation Biology representative at National Science Foundation workshop on the Nagoya Protocol on Access to Genetic Resources and the Fair and Equitable Sharing of Benefits, Baltimore, Maryland (2017)
- Mandela Washington Fellowship, Swaziland Applicant Reviewer (2017)
- Invited Judge, Jackson Hole Wildlife Film Festival (2017)
- Invited Referee for Candidate Elections, The World Academy of Sciences (2016)
- Invited Member, Consultative Body, US Agency for International Development's Reducing Opportunity for Unlawful Transport of Endangered Species (ROUTES) Partnership (2015-)
- Co-facilitator, International Congress for the Conservation of Biology, Building Social Science Capacity for Conservation Science Workshop, Baltimore, Maryland (2013)
- Invited, External Expert Evaluator: Senior Lecturer in Natural Resource Management at the Swedish University of Agricultural Science (2011)

National Service

- Reviewer of tenure and promotion for faculty from the following institutions: Cornell University, University of Florida
- Co-facilitator, Southeast Climate Science Center and University of Georgia, Communicating and using Uncertain Information in Actionable Science (2013)
- Invited, Facilitator, Michigan Department of Natural Resources, Michigan Wolf Management Advisory Council (2013)
- Invited, Facilitator, Michigan Department of Natural Resources, Michigan Wolf Forum, (2012)
- Invited, Moderator and Expert Facilitator, World Wildlife Fund Symposium on Wildlife Crime, (2012)
- Invited, Grant/Scholarship/Fellowship Reviewer/Panelist
 - Keickhefer and Melon Fellowships (2004), Cornell University Center for the Environment (2004, 2005), Theresa Heinz Foundation Scholarship (2006), World Wildlife Fund Fuller Fellowship Program (2007, 2008), National Science Foundation's Decision, Risk & Management Science Program (2011), Great Lakes Fishery Commission (2013), Society for Conservation Biology Smith Fellowship (2016), National Geographic Society (2017), United States Department of Defense, Army Research Office (2017), National Science Foundation and National Academies of Science PEER Program in Indonesia (2017), US Fish and Wildlife Service International Affairs Division Wildlife Trafficking Program (2017), National Academies of Science Jefferson Science Fellowship (2017); National Science Foundation CAREER Award (2017)
- Invited, Project Advisory Committee, WasteReuse Foundation (2009-present)
- Invited, Member, Michigan Department of Natural Resources, White-tailed deer and Elk Focus Group Evaluation (2009)
- Invited, Member, Michigan State University Knight School for Environmental Journalism, Great Lakes Journalism Institute panelist (2009)
- Invited, Alumni Panel Member, Emerging Wildlife Conservation Leadership Program (2008)
- Co-facilitator, 65th Northeast Fish & Wildlife Conference, Testing a Black Bear Management System Dynamics Model Interface (2006)

- Co-facilitator, Woodstock Environmental Commission, Managing negative Human-Black Bear Interactions in New York (2006)
- Co-facilitator, 18th Eastern Black Bear Workshop, Identifying Priority Needs for Stakeholder Engagement (2005)

Community

- Congregation Shaarey Zedek, Cultural Affairs Committee (2015-2016)

SCIENCE DIPLOMACY & FOREIGN AFFAIRS

- Publications and Products at Top Secret, Secret, Sensitive But Unclassified and For Official Use Only Levels (n = 11)
 - Author and coauthor on topics including wildlife trafficking, illegal fishing, illegal logging, convergence of human trafficking and wildlife trafficking, foreign terrorist organizations and wildlife trafficking (2016-2018)
 - Coordinated and cleared by US Department of State
 - Published in US Intelligence Community online database and shared with Five Eye Intelligence Alliance partners (Australia, Canada, New Zealand, United Kingdom)
- Security Clearance
 - Top Secret, held by US Department of State (2016-2021)
- Trainings and Certificates
 - Foreign Affairs Counter Threat Training (2018)
 - Working in an Embassy (2018)
 - Security Overseas Seminar (2017)
 - High Threat Security Overseas Seminar (2018)
 - Oral Briefing Skills Training (2016)
 - Analytic Standards for Intelligence Analysis (2016)

SELECTED MEDIA INTEREST

11. Afro FM 105.3. Ethiopia's English Language Radio. U.S. Mission to the African Union AFRO DRIVE Real Talk USA with Eyuel Solomon and Chris Meade (2018).

<https://www.facebook.com/USAU09/videos/10156558322272248/>

10. Society for Conservation Biology Member Spotlight (2017). www.scb.org.

9. Science of wildlife crime side event and pop up press release at International Congress for Conservation of Biodiversity resulted in media coverage by Earth Journalism Network, Magszter.com, and IANS India. <http://msutoday.msu.edu/news/2017/using-science-to-combat-illegal-wildlife-trade/>.

8. Michigan State University home page banner and story on "MSU Crime Stoppers." www.msu.edu (November 2015).

7. Feature story in "Futures Magazine" Fall/Winter 2015 published by Michigan State University AgBioResearch.

6. Press releases by Michigan State University (November and December 2014) to announce two research publications in Journal of Wildlife Management and PLoS ONE regarding human

dimensions of wolf management in Michigan. Resulted in National Public Radio interview on Stateside with Cynthia Canty, Nature World News, Science News, Furturity, and Science Codex.

5. Press conference with Alliance Voahary Gasy and ~40 Malagasy TV, radio, and newspaper journalists about MSU/AVG collaboration and my work on rosewood exploitation and conservation crime (2014). Press conference resulted in ~20 newspaper articles, 2 TV stories, and ~5 radio stories.

4. Press release by Michigan State University (November 2012) to announce research publication in the journal Conservation Biology, “Australian and U. S. news media portrayal of sharks and shark conservation for 2000 to 2010” lead authored by MSU MS student.

<http://msutoday.msu.edu/news/2012/sharks-bad-creatures-or-bad-image/>. The publication resulted in three radio interviews: BBC’s “Up all Night” with Dotun Adebayo, Univision Radio Puerto Rico, and WILS 1320. Internet coverage between November 7-21, 2012 resulted in over 30 stories in the US, South Africa, Australia, Costa Rica, United Kingdom, and India; story ran on MSU website homepage.

3. European media coverage of research publication, “Gendered risk perceptions associated with human-wildlife conflict: implications for participatory conservation” in the journal PlosOne and coauthored with MSU MS student. <http://wildlifeneews.co.uk/2012/different-sexes-different-views-getting-the-message-across/>.

2. Press release by Michigan State University (June 2011) to announce ongoing research on wolf management in Michigan, with PhD student. <http://research.msu.edu/stories/researchers-examine-federal-delisting-wolves-issue>. Covered by local National Public Radio station (WKAR), Lansing State Journal, MLive website.

1. Press release by Cornell University (June 2005) to announce study on New York NeighBEARhood Watch Program. <http://vivo.cornell.edu/display/individual12090>. Resulted in interviews with Woodstock Radio 100.1, New York Times, New Jersey Ledger, BearSmart society website and Linda Masterson’s 2006 Living with Bears: A Practical Guide to Bear Country, PixyJack Press.

----AUGUST 2018----
